

## PROFILE OF CANDIDATES

### Donald Jenkin

I, Donald John Jenkin, am a New Zealand citizen aged 65 years. I was born and raised in New Zealand. I completed high school and graduated BSc and MSc(Hons) in chemistry from the University of Auckland. I did further postgraduate study at the University of California, Berkeley, completing a PhD in Wood Science and Technology. I subsequently returned to New Zealand where I worked as a research scientist at a government research institute for nine years. In 1985 I joined Westralian Forest Industries in Perth, Western Australia, where I held a number of senior management positions in technology and operations. In 1994 I was appointed CEO of Dyno Industries (WA) Pty Ltd which was the first of a series of positions and directorships held with the Dyno (subsequently Dynea) group of companies in Australia, New Zealand, Singapore and China. During my time in Australia I completed an MBA at Curtin University in Perth. At the end of 2011 I retired from Dynea but remained as a director of Dynea Pakistan. To meet the requirements of directors in Pakistan I undertook a course at the Pakistan Institute of Corporate Governance to become a certificated director-April 2013.
